**CA' FOSCARI SHORT FILM FESTIVAL 14**

**CASA DEL CINEMA:** opened on 23rd September 2008, Casa del Cinema hosts the activities of Videoteca Pasinetti, contributing to the growing effort to enrich the city's cultural offerings. Classics in subtitled original version, auteur films screenings, movies and videos of Venetian production, book presentations and meetings with authors: an overview of what this institution offers.

**FONDAZIONE BEVILACQUA LA MASA:** this Foundation was donated and established in 1898 and is now an Institution of Venice Municipality, dedicated to contemporary art and young artists. With its current exhibition venues and 15 *ateliers* assigned annually, the Foundation is a unique institution in Italy, providing cultural services in support of artistic expression since the 20<sup>th</sup> century.

**IN PARADISO:** situated at the entrance of the Giardini della Biennale, In Paradiso Restaurant and Bar includes 150 sqm of private garden, a charming terrace overlooking St Mark's basin and 300 smq of internal exhibition space. The InParadiso Art Gallery opened on June 9, 2007 at the same time as the 52<sup>nd</sup> International Art Exhibition of the Biennale.

**NATIONAL ARCHAEOLOGICAL MUSEUM:** dedicated to archeology, the Archeological Museum is located in Procuratie Nuove. The Museum hosts a collection of antiquities, the result of Venetian collecting, and includes examples of Greek sculptures from the 5<sup>th</sup>-4<sup>th</sup> Century BC, the "Galati Grimani", portraits of the roman era, relics, inscriptions, ceramics, ivories, gems, and a numismatic collection.
