CA' FOSCARI SHORT FILM FESTIVAL 14

The fourteenth edition of the **Ca' Foscari Short Film Festival** will take place from **20th to 23rd March 2024** in a **'widespread' version**, increasingly integrated with the city of Venice. In addition to the historic venue of the **Auditorium Santa Margherita - Emanuele Severino**, the festival will collaborate with other prestigious Venetian institutions, bringing the works scheduled in six different locations: **Casa del Cinema, National Archaeological Museum, Fondazione Bevilacqua La Masa, Museo d'Arte Orientale di Venezia, In Paradiso and Museo di Palazzo Grimani.**

The Short is realized with the collaboration of **Fondazione di Venezia** and it can count on the support of various partners, such as **Avani Rio Novo Venice Hotel**, the Italian platform of cinema on demand 'short' **WeShort**, the oldest prosecco producer **Carpenè-Malvolti**, and on the contribution of **Museo Nazionale del Cinema di Torino, Cinit - Cineforum Italiano, Municipalità di Venezia - Murano - Burano, Conservatorio di Musica "Arrigo Pedrollo" di Vicenza, VeneziaComics** and two festivals: the **Le giornate della luce of Spilimbergo** and the **South Italy International Film Festival of Barletta.**

The Short is the first festival in Europe entirely conceived, organized and managed by a university and maintains its mission of being an event designed by young people and for young people. The festival is in fact a professionally formative moment for the volunteer students of Ca' Foscari - this year more than two hundred - who provide new lifeblood to the organizational machine of the festival, led by professional figures of experience, with the coordination of the artistic and organizational director **Roberta Novielli.**

This year, the prizes of the three competitions - the beautiful glass sculptures - are made by the consortium **PROMOVETRO - Vetro Artistico di Murano** that was born in 1985 from an initiative of a group of artisan enterprises engaged in the production of artistic glass of Murano. Over the years it has become an important consortium and currently represents about fifty artisan and industrial companies from Murano and Venice.

The fourteenth edition, introduced by the poster made by **Manuele Fior** and dedicated to Venice, will end as usual with a **closing show**, entrusted this year to **Musicafoscari**, the project of musical activities of Ca' Foscari active since 2010 and directed by **Daniele Goldoni**, who will sound

together with young musicians the short film One Week (Una settimana, 1920, 19') by **Buster Keaton**.

All screenings at the Auditorium Santa Margherita - Emanuele Severino offer **free entrance**.
